

# Bomgar Makes Training Simple

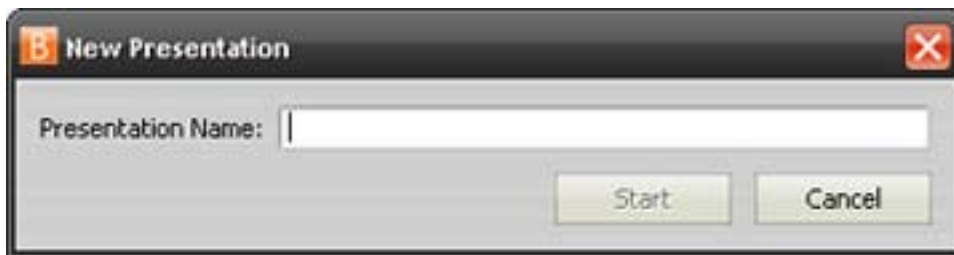

## With Demonstration Mode

Easily present your screen for presentations and training sessions to up to 15 people with Bomgar's Demonstration Mode. To host a presentation immediately using your 7-day online Bomgar trial:

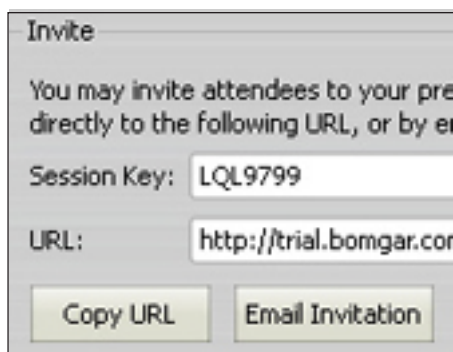

- 1 Click the Support Menu in the representative console. Click Present & Start.

- 2 Click Start after entering a Presentation Name.

- 3 Click Email Invitation to send attendees an email that contains a link to your presentation

- 3 Click Start Presenting My Screen to begin your presentation
